

COMMUNITY SUPPORTED GARDEN at LA VISTA

☀ 2012 SEASON ☀

Community Supported Agriculture (CSA) consists of a community of individuals who pledge support to a farm operation so that the farmland becomes, either legally or spiritually, the community's farm, with the growers and consumers providing mutual support and sharing the risks and benefits of food production. Members or shareholders of the farm or garden pledge in advance to cover the anticipated costs of the farm operation and farmer's salary. In return, they receive shares in the farm's bounty throughout the growing season, as well as satisfaction gained from reconnecting to the land. Members also share in risks, including poor harvest due to unfavorable weather or pests. — USDA definition

Communication: We communicate with our shareholders primarily via email. If you do not have an email address, please indicate so in the address section of the application.

Shares: On average, each weekly distribution provides a vegetable-loving diet for two adults or a vegetable-supplemented diet for a family of four.

Regular Season Shares are distributed from approximately mid-May through mid-November.

Spring Greens Shares are available only to Regular Season shareholders and provides one pound of gourmet salad greens during each week of the five-week season.

Payment may be made in full when submitting the Shareholder Agreement /Volunteer Interest Survey. If paid in full by April 30, take a \$20 discount for a full share or \$10 discount for an alternate share. Or payments can be made. The first payment is half the amount due by April 1. Half of the remaining balance is due by June 1 and the remaining balance will be due July 1.

Community: Shareholders are expected to participate in the Garden community by volunteering three or more hours each month and by attending Shareholder Gatherings and Celebrations. A wide variety of volunteer work is needed, *year-round*, to maintain the low price of fresh, sustainably and locally grown produce.

Responsibility: Each Shareholder is a member of the community supported garden and agrees to act in a manner that is just and kind to the land, other members, and all creation when on the **La Vista** property. Each member benefits from the bounty of the garden, and also shares in the risks of each growing season.

Charity: The Garden is not-for-profit. A percentage of shares are offered, based on need, at a reduced price. Additionally, excess produce is donated to the local food pantry.
